When Playtime Can't Wait

# Out the door in 24 hours

Don't delay playtime for young ones and watch as they make new friends and practice their fine motor skills. Order today and welcome tons to a range of activities and adventures in no time.

KidsTale specializes in designing, manufacturing, and shipping quality playgrounds to fuel the imaginations of children. Our QuickShip range of playgrounds is the perfect option for when playtime can't wait. If you're looking for a playground solution to fit daycares, multi-family housing, schools, and organizations that want to improve its facilities, KidsTale won't disappoint.

At KidsTale, we decided to maintain an extensive inventory in our new mega-warehouse which allows us to ship within 24 hours after your order has been confirmed. The QuickShip playgrounds come in a variety of sizes, so you're bound to find a model to suit your playground size without sacrificing activities. When you order a KidsTale playground you'll have peace of mind that the structure is protected against the outside elements. The steel handrails, barriers, gates, climbers, and 3.5" OD steel support posts are coated with a polyester powder coat finish for lifetime protection. The decking and stair parts

are made with 12-gage steel encased in durable PVC coating with the same high standards as the powder-coated steel parts. Plastic slides, panels, roofs, and climbers are made in rotational molds with composite resins that provide a high UV breakdown resistance ensuring the playgrounds look as good as new throughout the years. The raw materials for the HDPE (high-density polyethylene) climbers are made in our factories to ensure high-quality control and long-lasting playgrounds.

**QS-22116**

Age Group: 2-12  
 Activities: 8  
 Capacity: 20-24  
 Use Zone: 32' x 28'  
 Fall Height: 5'-0"

# The Cheetah Cub

Get your little cubs' imagination at play on the Cheetah Cub playground. Built for 2-5-year-olds, this playground has the capacity for up to 22 little cheetah-tots. With a fall height of 3 inches, your little ones will enjoy the slides, pod climber, and steps to take them to new heights.

## Turboville Titan

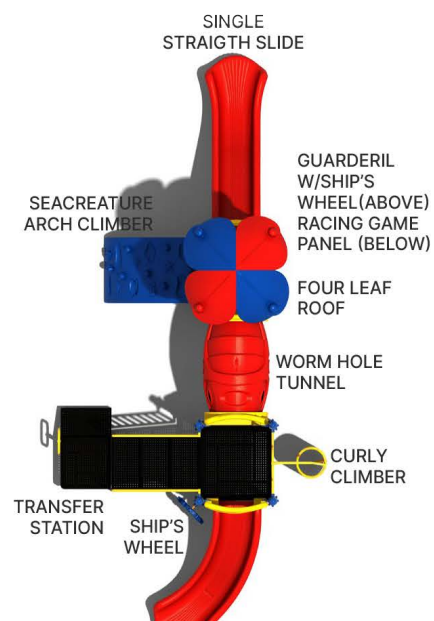

Next stop, Turboville! Get little ones into turbo gear and watch them play to their hearts' content. The Turboville Titan playground connects two decks with a tunnel to provide more activities alongside fun interactions. Two slides on each side curve on the sides to keep tots safe while railing helps them explore with confidence.

## Clever Kids Climber

The Clever Kids Climber is bursting at the seams with a range of activities to educate. Teach your clever kids with the world clock and different climbers levels. Boost confidence and train those crucial fine motoring skills for early childhood development. Just as the name suggests, you'll soon have clever kids all over the playground.

## QS-22118

Age Group: 2-12  
 Activities: 8  
 Capacity: 16-20  
 Use Zone: 32' x 31'  
 Fall Height: 5'-0"

## Slidesburg USA

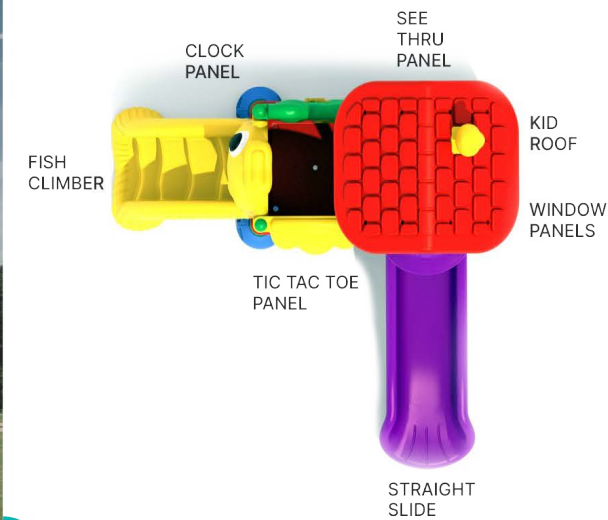

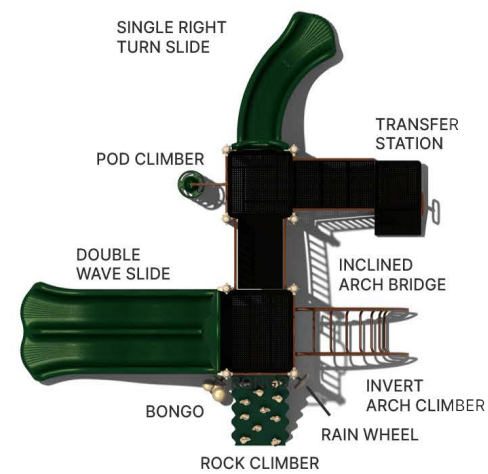

Keep an eye on the kiddos as their hearts fill with joy as they slide and climb their way up and down the Slidesburg USA playground with enough space for up to 20 kids. The railings keep children safe as they make their way from the climbers to the slides ready to explore everything that playtime has to offer.
